S I R:

In response to the Notice of Non-Compliant Amendment dated November 12, 2004, **Amendments to the Claims** are reflected in the listing of the claims provided herewith in **Attachment B** which should replace Attachment B from the prior submission. The claims listing submitted with the Amendment filed on November 4, 2004 omitted withdrawn Claims 17-21, and the omission has been corrected on the attached listing. As per the Notice, only the claims section has been resubmitted, and Applicants' Remarks have previously been submitted with the original Amendment.

In view of the amendments made and the remarks provided with the previous response, it is submitted that the present application is in condition for allowance.

Respectfully submitted,
